A complete range of BPA-free, microwave-safe homeware – designed and manufactured in India by Sparsh Gem Plast Pvt. Ltd.

Everyday things, beautifully made.

Homeware that earns its place on your shelf.

Every Visto product is built around three ideas: keep food fresher, make daily routines simpler, and look premium doing it. Our containers are airtight and BPA-free, our bottles hold temperature, and our finishes are made to last.

From the airtight Snap Fresh range to insulated steel bottles and festive gift sets, this catalogue brings the full collection together – a considered range for modern kitchens and homes.
